

## About Your Physician

### **Steven Katzman, D.O., F.A.C.O.I.** Internal Medicine

Dr. Katzman's approach to caring for patients is treating the "whole person." Board certified in Internal Medicine, his focus is on wellness and on preventing illness by promoting healthy lifestyles through patient education. Dr. Katzman helps patients understand the importance of exercise and good nutrition. If patients have cardiovascular problems, hypertension, diabetes or other illnesses, he can treat them effectively so they can enjoy as healthy a lifestyle as possible. Dr. Katzman works with the Michigan Peer Review organization to help improve the quality of care for Medicare recipients.

Dr. Katzman completed his undergraduate studies at Wayne State and Michigan Universities. He graduated from Des Moines University, College of Osteopathic Medicine in Iowa and did his internship and residency at Botsford Hospital. He teaches interns and residents in the hospital and at his office. He holds a number of professional memberships including the Michigan Association of Osteopathic Physicians, American Osteopathic Association and American Medical Association.

Dr. Katzman is affiliated with Botsford Hospital and HealthMatch.
